Through a time filled with the anxieties, privations, and perils of war, Lindblom students are moving with courage. They keep their heads and hearts high, and try, in whatever way they can, to lighten the heavier burdens that are carried by others. They send their dimes to Uncle Sam in exchange for war stamps, they carry on without their teacher if she is busy with sugar rationing, and they sing and cheer for the Army, Navy, and Marine Corps.

Dear Virg!
Good Luck to you!
Love from Lou Anne

Symbolic of the effort of Americans to do whatever they can to assist in the war effort are the activities of Lindblom students. They stand ever ready and willing to help in whatever way they can. Among the opportunities for service that they have availed themselves of is the writing of letters to men in the armed forces.

Perhaps it doesn't seem much of a service to your country to write a letter or two a week. In reality, it is considered so important it has been given a rather impressive title. It is called "keeping up morale." Simplified, it means keeping the country's fighting men cheerful by letting them know that the folks at home are thinking of them.

Lindblom positively overflows with clubs and teams. Enthusiastic support of any school activity is typical of the students and the faculty, so many are the good times had in the Social Room, the Boys' Club Room, and the Boys' and Girls' Gyms. Oh, and there are some other groups we are particularly proud of, so let's have a parade of them. Ready?

ORCHESTRA

The Concert Orchestra, which is directed by Christian Lyngby, never fails to bring delight to all who listen to it. Its soothing strains seem to come forth effortlessly whenever it performs, but behind each performance lies weeks of hard labor.

Meeting every day the third and fourth periods in Room 328, the orchestra members practice earnestly to gain that perfection which they exhibit when they play for assemblies or in a production.

HUBBARD BAND AND ORCHESTRA

Budding musicians at Hubbard are encouraged to join either the orchestra or the band. There, under expert supervision, they receive such training as will enable them to become members of either the Concert Band or Concert Orchestra on their arrival at the main building. Working with these beginners at the branch are Christian Lyngby and Jay Sawyer, who meet with their groups daily.

MADRIGAL

Chosen from members of the A Cappella Choir by competitive tryouts, the Madrigals hold a unique position at Lindblom. Although they number only eighteen, the smallest musical organization in the school, they are as well known, and certainly as popular as any of the larger groups. Following the baton of Joseph Taylor, their beautiful harmonies have been heard and appreciated many times by many audiences.

LINDBLOM BOYS' CHORUS

Every fourth period the sound of sixty strong, healthy, male voices echoes through Lindblom's hallowed halls. The boys' chorus is on the march under the inspiring direction of the chic and petite Mrs. Hanah M. Rosenthal, who, besides instilling a knowledge of rhythm and rhythm has shown herself very proficient in curbing the more rambunctious instincts of her melodious charges. Although the Spring Festival's the big event of the year, where both choruses combine in a gorgeous pageant of melodious harmony and breathtaking scenery, the chorus is kept continuously busy with innumerable assemblies, contests and various outside engagements.

NUMEROUS, ACTIVE, AND POPULAR

Always willing to offer their services towards furthering the enjoyment of programs and assemblies is the Girls' Chorus. Directed by the charming Mrs. Rosenthal, the girls, appearing in their immaculate white dresses and bright red kerchiefs, obtained a superior rating in the All-Chicago High School Competition Festival for the fourth consecutive year. This group meets every day the fifth period with an effort to help Annie, Peggy, and Evie perfect their stimulating contralto part.

During this semester the office of President was held by Ruth Steinbrenner, while Dorothy Kasten acted as Vice-President. The secretaries and treasurer were Beatrice Olivieri, Shirley Burzlaff, and Mary Flynn, respectively. The librarians were Hazel Hasskarl and June Sawyer.

HUBBARD GIRLS CHORUS

Hubbard's Girls Chorus is divided into two groups, the beginning chorus and the advanced chorus. The beginners, who have just organized, aim to learn the techniques of choral singing. President of this group of forty-seven is Christine Mellis.

The Advanced Chorus, which further develops vocal talent and musicianship, has performed for the P.T.A. It also furnished incidental music for the pageant "My Country, 'Tis of Thee," which was photographed in color and sound by Mr. Balling. Rosemary Kuhl is President of this group.

A CAPPELLA CHOIR

The achievements of the A Cappella Choir are true evidence of the training the members are given under the guiding hand of Joseph Taylor. This semester Lindblom's Choir received an S rating in the city-wide contest.

Every morning during the first and second periods the sixty members start the day right by practicing their music. They rehearse spirituals, ecclesiastical numbers, and classics.

Besides singing at school assemblies, the choir makes many appearances for various churches and civic organizations. At many of their performances a member is given an opportunity to do a solo.

Mr. Taylor has a reserve choir of thirty-five members and a begining choir of about fifty members to fill vacancies caused by graduation.

ND OUR PRIDE IN IT IS WELL JUSTIFIED.

SENIOR GIRLS COUNCIL

The bright-eyed misses who stroll through the halls on every Monday dressed in white dresses and bright red jackets are the members of the Senior Girls Council. The girls earn their positions on the council by participating in various school activities and achieving a good scholastic rating. The girls are chosen by election, with the assistance of designated faculty members.

Since this is a service organization, the girls do their part by serving at the P.T.A. and faculty teas, caring for the upkeep of the Girls Social Room and presenting an All Girls Assembly. With Mrs. Rademacher as sponsor, the council holds meetings during eighth period in the Social Room. Laverne Akrop was this year's secretary.

THE INTER-CABINET COUNCIL

The Inter-Cabinet Council, under the sponsorship of Miss Jones, is Lindblom's student government body. The council acts in this capacity by discussing various school problems, sponsoring several school projects, and seeing that the traditions of Lindblom are upheld.

It is an organization consisting of members who represent every student organization. The meetings are held every Wednesday ninth period with Anatole Aron presiding.

SENIOR BOYS' COUNCIL

Highly honored as the most outstanding boys in the Senior Class are Lindblom's Senior Boy Councilors. They meet weekly in the Boys' Club Room to discuss the problems of Lindblom's masculine population.

Several worthy achievements can be traced to this select group, the Pep Book being the best known accomplishment. Guided by Coach Moore, the boys have also given their services as hosts at the Friday Night Socials. At present the Council is giving a very timely service in selling War Stamps and Bonds. Located in the book room just off the main foyer, Boy Councilors can be found faithfully doing their bit for National Defense throughout both division periods.

USHERS

"This way please," or "Front row center" may be heard from young gentlemen with bow ties when assisting those people who attend our graduation exercises, spring festivals, or fall productions. They possess qualities which are the foundation of the well groomed man. Being polite, alert, and attentive are a few of the characteristics which the boys display on all occasions. This organization of about sixty boys is under the fine supervision of Mr. Claude Bowman.

MAIL SERVICE CABINET

The Mail Service Cabinet girls, sponsored by Mrs. Gussie, wear pink jerkins to distinguish themselves from members of other organizations. Numbering approximately fifteen girls they serve as attendants in the tardy office, sort and manage all the tardy slips, and act as big sisters to the mail service girls. Besides their duties they find time for play. They give teas for their own enjoyment, and also contribute skit to the All Girls' Sing.

MAIL SERVICE

The girls whom you see walking into your classes to collect the absence slips and those that you see in the tardy office making out tardy slips are the loyal and trustworthy girls of the Lindblom Mail Service.

Their job is not only to collect absence slips but to sort them and deliver them to division and class teachers.

Their social events of the semester are the welcome and farewell teas held to honor the incoming and graduating members respectively.

HALL GUARDS, STUDENTS HELP KEEP

HALL GUARDS

Forfeiting an extra study period here and there, the Hall Guards are probably one of the most enterprising group of students in Lindblom. This year, under the leadership of Mr. Hollister, the club's membership has reached an unusual high.

The Hall Guard's job is to keep the halls of Lindblom tidy and to prevent loitering in the halls and the loss of student possessions by theft. This year the student heads are Charles Kruder and Sherman Grant. These boys keep the attendance records and aid the faculty supervisors in maintaining the high standards of the Hall Guards.

OFFICE AND SOCIAL ROOM ASSISTANTS

The Office and Social Room Assistants are two indispensable groups here at Lindblom.

In the main office girls run errands, distribute the bulletins, learn to operate the switch board, and do many other light tasks.

The Social Room assistants take roll call at group meetings and arrange and care for the furniture and equipment in the Social Room.

These girls receive reward for their services in their own satisfaction of a job well done.

CIVIC BANK

Although it renders efficient service to all Lindblom clubs and the Junior and Senior classes, the Civic Bank attains little publicity and is not very well known to the student body. Under the sponsorship of Mr. Blomquist the bank has given its convenient and efficient services for many years. His staff is small, consisting of only a few chosen students headed by the President, Mona Cortaletti.

Passing room 101 the imaginative mind may picture this busy group seated at imposing desks in their mahogany chairs, buried behind books, blotters, and papers, for it is in this room the group meets the seventh and eighth periods daily and is officially open to the school. Though their efforts are given little noticeable reward the students receive experience that is sure to be useful to them in the future.

THEY SERVE WITH SPIRIT.

BOYS' AND GIRLS' BOWLING

"Hooray—a strike!" "Aw, a railroad!" No, these phrases do not refer to baseball, or a method of transportation. They are just typical exclamations heard from the members of our bowling league. Sponsored by Mr. Ayres, this popular sport is enjoyed by both boys and girls of Lindblom. Keen competition exists between the various teams, the object being to reach first or second place in either the girls' or boys' league. The winners are then eligible to compete in an inter-school tournament for the high school city championship.

WE HAVE A BRANCH, HUBBARD,

HUBBARD STUDENT COUNCIL

The Hubbard Student Council aims to recognize and deal with problems presented by the student body. Among the outstanding achievements of the last year were a drive for the collection of waste paper, and contributions to the Goodwill Industries and the annual Clean-Up Campaign.

PRESIDENTS COUNCIL

Many of the prominent students of Lindblom proper began their careers in their freshman year. The Presidents Council, the starting point of some of these pupils, is composed of presidents of the various clubs who meet and discuss the problems of the school and the action to be taken.

• ROW I: Crawford, Kyncl, Konkel, Jendzio, Pastorella, Limas, Kuhl. ROW II: Waleski, Strehlow, Nemeth, Skolka, Miller

THE HUBBARD LIBRARY CLUB

Members of this club serve their school by working in the library during free periods.

THE HUBBARD JOURNALISM CLUB

The Hubbard Journalism Club is responsible for the preparation of all Hubbard news in the Weekly. The club, which meets weekly, also participates in a social event now and then. The outstanding one this semester was a theater party.

HUBBARD RED CROSS

Workers of mercy are appreciated the world over and the American Red Cross is outstanding for its enthusiastic membership.

The Hubbard Red Cross, composed of forty freshmen boys and girls, is one of the most outstanding groups of its kind in the city. This year the boys made combination checker and lap boards for the veterans at Hines Hospital, and last year the girls knitted a beautiful afghan which many Lindblom students saw at the art exhibition.

AND ALSO A VICTORY GARDEN

HUBBARD VICTORY GARDENS

When the government urged that more people grow their own food to lessen the strain on the farmer, many people replied by planting victory gardens. Patriotic students from Hubbard gather each week to discuss the various species of plant life. Not only is this helping Hubbard freshmen to aid Uncle Sam but it is developing widespread interest in the agricultural field among city dwellers who otherwise would never delve into the mysteries of mother nature. As yet the gardens are not ready to harvest but when they are, the yield will not only be profitable to Uncle Sam but a credit to the victory garden club.

HUBBARD'S MODEL AIRPLANE CLUB

Thirty students of Hubbard Branch meet once a week to discuss the importance of and to stimulate interest in aviation. When the United States Navy called for model airplanes, the club contributed generously, and they have also studied spotting planes in connection with the present war effort.

HUBBARD PHOTOGRAPHY CLUB

If you like to snap pictures of unsuspecting people, you would do well to join the Photography Club.

THE HUBBARD ORAL CLUB

The main objective of the Hubbard Oral Club is to teach its members the art of self expression in speech. The members learn the "do's and dont's" of etiquette for speakers, and are given the opportunity to correct grammatical errors of speech. This club is one of the most popular and educational in this school because it offers a combination of social pleasures and instructive training.

HUBBARD HALL GUARDS

With duties similar to those required at the main building, the Hubbard Hall Guards perform theirs with the same eager attitude of service that is found at Lindblom proper. Giving courteous aid to strangers entering Hubbard branch, they present an encouraging example of the future citizen of Lindblom.

One of Hubbard's most popular clubs is the Office Training Club. The members meet once a week to organize themselves as a group to make an efficiently capable staff of office assistants. The aim of the club is to make the functions of the office as expertly undertaken as if they were being accomplished by paid office clerks. The various duties of the office routine are instrumental in instructing the members in office procedure.

HUBBARD G.A.A.

To develop leadership, promote a friendly school spirit, provide a recreational use for leisure time and to develop team work are the multifarious purposes of the Hubbard G.A.A. Listing the many outside activities open to our "freshies" we have hiking, skating, bowling, bicycling, and team games. Graceful ballerinas enjoy the rhythms classes and it is surprising how many members gain great popularity with the masculine sex because of their activity in these sports. Games such as baseball and volleyball are played in the Team Games classes where different teams match their skill amidst much girlish laughter.

AND THEIR ACHIEVEMENTS

THE HUBBARD SPANISH CLUB

The Hubbard Spanish Club, made up of seventy students, is interested in fostering good will with Pan America and in giving students an opportunity to use the Spanish language.

Just organized this semester, they meet twice a month. Their outstanding event this season was the Pan American Program featuring Spanish songs, dances, and reports on countries of South America. Heading the club are, President Richard Ewert, Vice President Sylvia Zasser, Social Chairman Isabel Glick, and Treasurer Eugene Gibbons.

HUBBARD HONOR SOCIETY

"Excellent" is the goal set for the enterprising students of Hubbard, and many of the Hubbardites achieve this standard. In comparing Hubbard's Honor Society with Lindblom's, the Hubbard representation is proportionately equal to that of Lindblom. The reward for achieving this standard of excellence is the same as that given at the main building. These pins are received after the first semester and are proudly worn by a large percentage of Hubbard's students.

FIRE MARSHALS

There's something about a little red fire box that inspires us with an impish desire to see how it works; but tampering with this important device means extra work for the Fire Marshals, and may prove fatal in case of actual fire. The chief duty of the Fire Marshal is to check up on the fire boxes located in strategic places throughout the school. Captained by Sergeant Art Smith of the R.O.T.C., this organization is composed mainly of cadets but this is not a requisite for membership. Every marshal is presented with a guide sheet which he consults when presented with a problem regarding fire protection. Mr. Bowman acts as sponsor.

CLEAN-UP CAMPAIGN

The Clean-Up-Campaign has been exceptionally busy making our student body "dirt conscious." This semester the campaign successfully sponsored a skating party to finance their program, and is now busy scouting for vacant lots in which to plant "victory gardens." With the help of Mr. Bucher and the student chairman, Willard Neely, the committee hopes to attain the position of first place in the Nation Wide Clean-Up Campaign.

STAGE CREW

Planning and producing stage settings are the main duties of the stage crew. Under the direction of Mr. Schmitt, the members receive a general knowledge of stage equipment and mechanics. Although the work is hard they are rewarded by the experiences they encounter and by the appreciation of Lindblom audiences.

LIGHT BRIGADE

Few of us realize what a great amount of planning and hard work goes into the lighting and sound effects used in our assemblies and productions. The smooth working team that accomplishes these effects is composed of boys who desire to learn about and work with electrical equipment. The group is sponsored by Mr. Balling.

COSTUME DESIGN

Girls interested in art, especially in the field of fashion and designing, are the members of the Costume Design Club. These girls are a select group who undertake the difficult project of designing and making complete sets of costumes for Lindblom's productions. Because of this the girls are considered very valuable to us and their efforts are duly appreciated.

Upon passing their "workshop" we see their paints and brushes, scissors, and pins, strewn about the room. Under Mrs. Anna Knehans, their supervisor, the girls were taught to drape and mold the materials directly on the figure.

This year the original design of a gray chiffon formal, drawn by Victoria Korsak, was awarded first place in the Illinois Vocational Contest held at the Morrison Hotel.

CLASS PRODUCES PLAY AFTER

Newly organized under the direction of Mrs. Hannah Rosenthal, and Miss Louise C. Rowlands, the groups have patiently endured long hours of practice in producing a play for Parents' Night, and the semester play, "There's One in Every Company," which was presented on April 17.

With the band playing "You're in the Army Now" the curtain went up on a drama of life in the army. As the action developed, an overbearing corporal, in the person of Charles Zinter, was revealed bullying the unfortunate rookies under him.

OUTSTANDING SUCCESS

Finally, after the corporal takes too much on himself when some girls and the captain's daughter come to plan an entertainment for the camp, the rookies retaliate by having one of their number, played by Bob Loomis, hypnotize him. While he is in the trance, they force him to bring about his own downfall. As the curtain goes down, a chastened corporal is again received as "one of the boys."

PAN-AMERICAN CLUB

The Pan-American Club is composed of students desiring to know more about the customs and life of the people south of the border and in other Spanish speaking countries. Reports are given by different students on the peoples, important cities, rivers, and the governments of many of the Latin American countries. Also, interesting games are played and community singing is enjoyed by all. That game of "Old Maid" where Hazel Umlor and Rita Ryan matched wits and were so anxious to receive the fatal card certainly mustn't be forgotten. The fine reputation attained by the Pan-American Club may be attributed to the untiring efforts of Miss Mary Ryan, who sponsored the group this past semester. Ruth Sears held the position of President, while Virginia Weber acted as Vice-President. The Secretary and Treasurer were Christine Ludwig and Virginia Brey, respectively.

Los Picaros, under Miss Moore's sponsorship, strives to improve the student's knowledge of the Spanish people. Learning about Spanish living conditions by ways of plays spoken in that foreign language is one leisure amusement which the club participates in. They have presented various plays in public, all of which proved successful and also very entertaining. All the students enjoy the singing of popular songs written in Spanish, and receive a definite idea how the hit parade sounds in the colorful tongue of the people of Spain.

EL CIRCULO ESPANOL

El Circulo Espanol, which, when translated means The Spanish Circle, is exactly that, a circle or club of Spanish students who are supplementing their regular curriculum with a lighter but no less valuable study of the music, poetry, and drama of that language. Sometimes they go one step further and translate many of our contemporary works into Spanish. Such a brilliant and colorful language lends itself readily to this adaption and tends to give a spark and spirit to the club sessions.

FRENCH CLUB

Organized to promote an interest in France and to increase the students opportunities to speak French was the Les Aimables sponsored and guided by Miss Murray. Because of the limited time in class it was impossible to teach any additional information about the peoples, customs, and arts of that beloved country.

Members gather regularly and present interesting programs. The club has enjoyed some short skits and often-times community singing is heard pouring forth from the lips of its enthusiastic members. Occasionally refreshments are served. Although there is much merriment in the club, it is also highly educational.

The Les Fideles are organized in just such a manner. They have elected their own officers, plan their own meetings, and devise their own entertainment. Their programs consist of French songs, stories, plays, and poetry. By their diligent efforts in this field many a student immensely improves his command of the language and has a good time doing it.

THE LINDBLOM R.O.T.C.

Forward,——MARCH, and the best foot of three hundred and fifty R.O.T.C. cadets is put forth. Participating in several parades this semester, Lindblom's splendid unit had the distinction of being an honor school last year. Ably commanded by Cadet Lieutenant Colonel Raymond Soltis, and instructed by Sergeant Robert M. Reid, the R.O.T.C. trains hundreds of students each year in the study of military science and tactics which are invaluable during these war days. The main event of the semester is the Federal inspection, which is prepared for with great effort.

This year the inspection was held at Ogden Park, where thirty cadets were presented with medals from various organizations. All the uniforms must be spotless and the brass gleaming like gold. Each semester all cadets are honored on Cadet Day, participated in by all high school units. On this day, Michigan Avenue is a picture of color and precision, and crowds gather for hours before the parade to view the marching.

PRESSES ROLL TO PRINT THE WEEKLY,

LINDBLOM WEEKLY

This paper is published for and by the students of the Lindblom High School, Sixty-second Street and Wolcott Avenue, Chicago, Illinois

This semester a new high in journalism was reached at Lindblom. Under the leadership of William Malatesta the Weekly was better than ever before, and student enthusiasm for it ran high. Mr. Harry B. Calpha, the adviser, also deserves much credit for the excellence of the editions issued by the present staff.

THE SCHOOL NEWSPAPER, ISSUED WEDNESDAYS,

Best of luck to a sweet kid + one of the grandest pals anyone could ever hope to have.

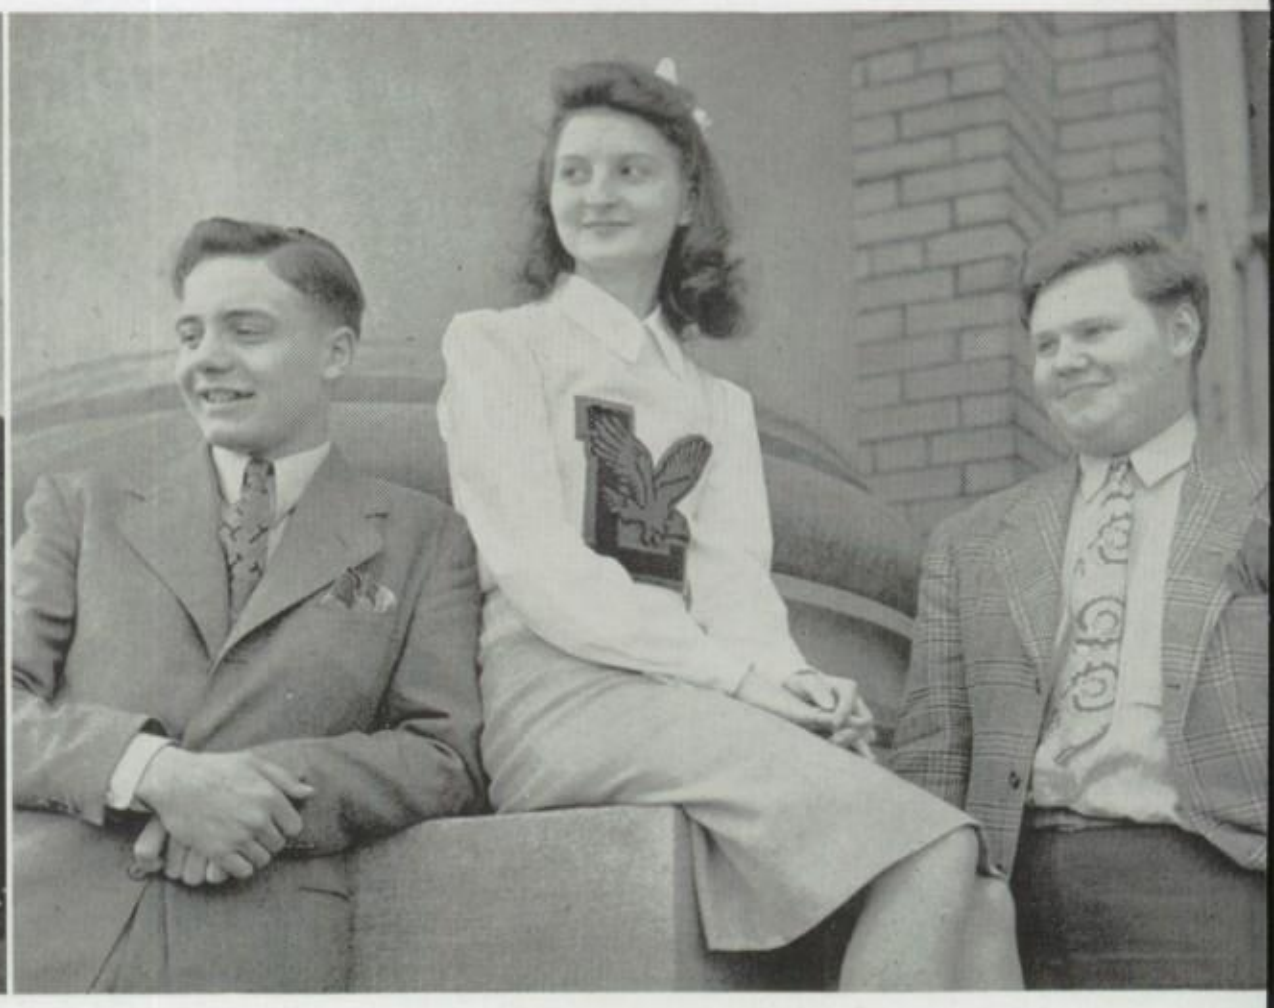
MISS GEORGE



ZIMMERMAN, THIEMANN, SILHAN

AND THE EAGLE, LINDBLOM'S ANNUAL, FOR

THE EAGLE

In its sparkling office at the north end of the building, the Eagle staff labors to produce Lindblom's annual. Under the sponsorship of Miss Carrie L. George, the entire project is carried out by students.

The immense amount of work done each semester by this group of students is little known to the general public. Working in collaboration with a photographer, a printer, an engraver, and the cover man, the staffers are hopping all semester to keep up with these professional business people.

Within the confines of the office one finds Mr. Shore as well as gloss prints, proofs, and pink galleys. It is under his guidance that business affairs are managed. These matters include the various contracts entered into, the sale of books, and the sale of ads. Ray Soltis was the student business manager for this book.

Bonnie Thiemann was at the head of this semester's book, ably assisted by Bob Zimmerman and Art Silhan as associates, and Virginia Weber, Annabelle Bryder and Dean Bergstrom as various editors. Jimmy Baker, as head typist, did most of the typing for the book.

WHICH STUDENTS WAIT A WHOLE SEMESTER.

In past semesters it has been the custom to carry a friendly Eagle-Weekly feud into the articles on those two staffs. This practice is hereby discontinued. The Eagle is above bearing malice.

"LD" CLUB

Practically every girl in Lindblom who has earned her athletic letter or 500 points toward it, has become a member of the "LD" Club. These are the only necessary requirements for membership in this organization.

Under the sponsorship of Miss Klein, the "LD" Club has strived to provide an enjoyable social life for the athletic-minded girls of Lindblom. Each semester the club members look forward to the many events which they can take part in. These include the initiation hike to Cantigny Woods, in which the new members are properly initiated by hiking, paddling, and other stunts thought of by the graduating members; the semester volleyball game with the faculty and the boys' basketball team; and the many parties which take place during their pleasant bi-monthly meetings.

THE L CLUB

It is up to the members of the L club to uphold the traditions and ideals of Lindblom. Any boy is eligible to become a proud member of this highly-respected organization after earning his L in any one of the numerous sports offered here at school. Anxiously awaiting their initiations these boys look forward to being mauled and abused by their superiors.

Each member wears a bronze pin and those fortunate enough to be members of a championship team display pins with an additional star. The L club sponsors the annual Inter-Class Boxing Tournament and as the colorful event of the season members patiently endure the coming of their banquet at which the graduating seniors receive their gold L pins. During the past semester the club has been guided by Mr. David Barder, while Bernie Kosciolowski acted as President. Andy Federinko performed the duties of Vice-President and the Secretary and Treasurer were John Cooperrider and Dick Teufel, respectively. Art Kranich served as Sergeant-at-Arms.

Lots of luck and success in the future.

G.A.A. BOARD AND CABINET

The dignified looking girls with the blue and white uniforms seen working diligently in the girls' gym are the members of one of Lindblom's most outstanding girls' organizations, the G.A.A. Board and Cabinet. The cheerful dispositions and the enthusiasm with which these girls work helps make the girls' athletic association a successful and profitable organization.

Besides the many duties which the girls perform during the semester, they present the G.A.A. party which is given after the membership drive is closed, and the achievement assembly at which the girls are presented with athletic awards. They also assist the freshman girls in becoming acquainted with all the athletic activities in the girls' gym.

The members of the G.A.A. Board and cabinet are chosen for their honored positions for their intelligence, scholarship, personality, and athletic ability. An acquaintance with any of these girls will prove to you their capability of handling their positions.

FIRST AID

The first aid classes, which have again come onto the Lindblom scene, are very well supported. Such a course is a very timely study in a nation at war. The girls who are enrolled in these classes learn everything from finding the pressure points in the body to setting a broken leg.

After many weeks of attending class, listening to lectures, and demonstrating various types of bandaging, examinations are given. The girls who pass these tests receive a first aid certificate, which states that they have completed their course in first aid.

LEADERS

Very probably the most outstanding service group among the G.A.A. activities is leaders. In the classes of this name are trained helpful assistants for the girls gym. It is the leaders who have charge of all gym equipment, who keep score for ping pong and shuffle board, who referee basketball and volley ball games, who demonstrate stunts, and who sometimes substitute for teachers.

The leaders meet twice a week with Miss Callen as their teacher and sponsor. Distinguished from class members by their tan jackets, they are required to spend three periods a week in actual service. In reward for their efforts they receive fifty points towards an athletic L. Representing them on the G.A.A. Board are Bonnie Padrta and Bonna Esterson.

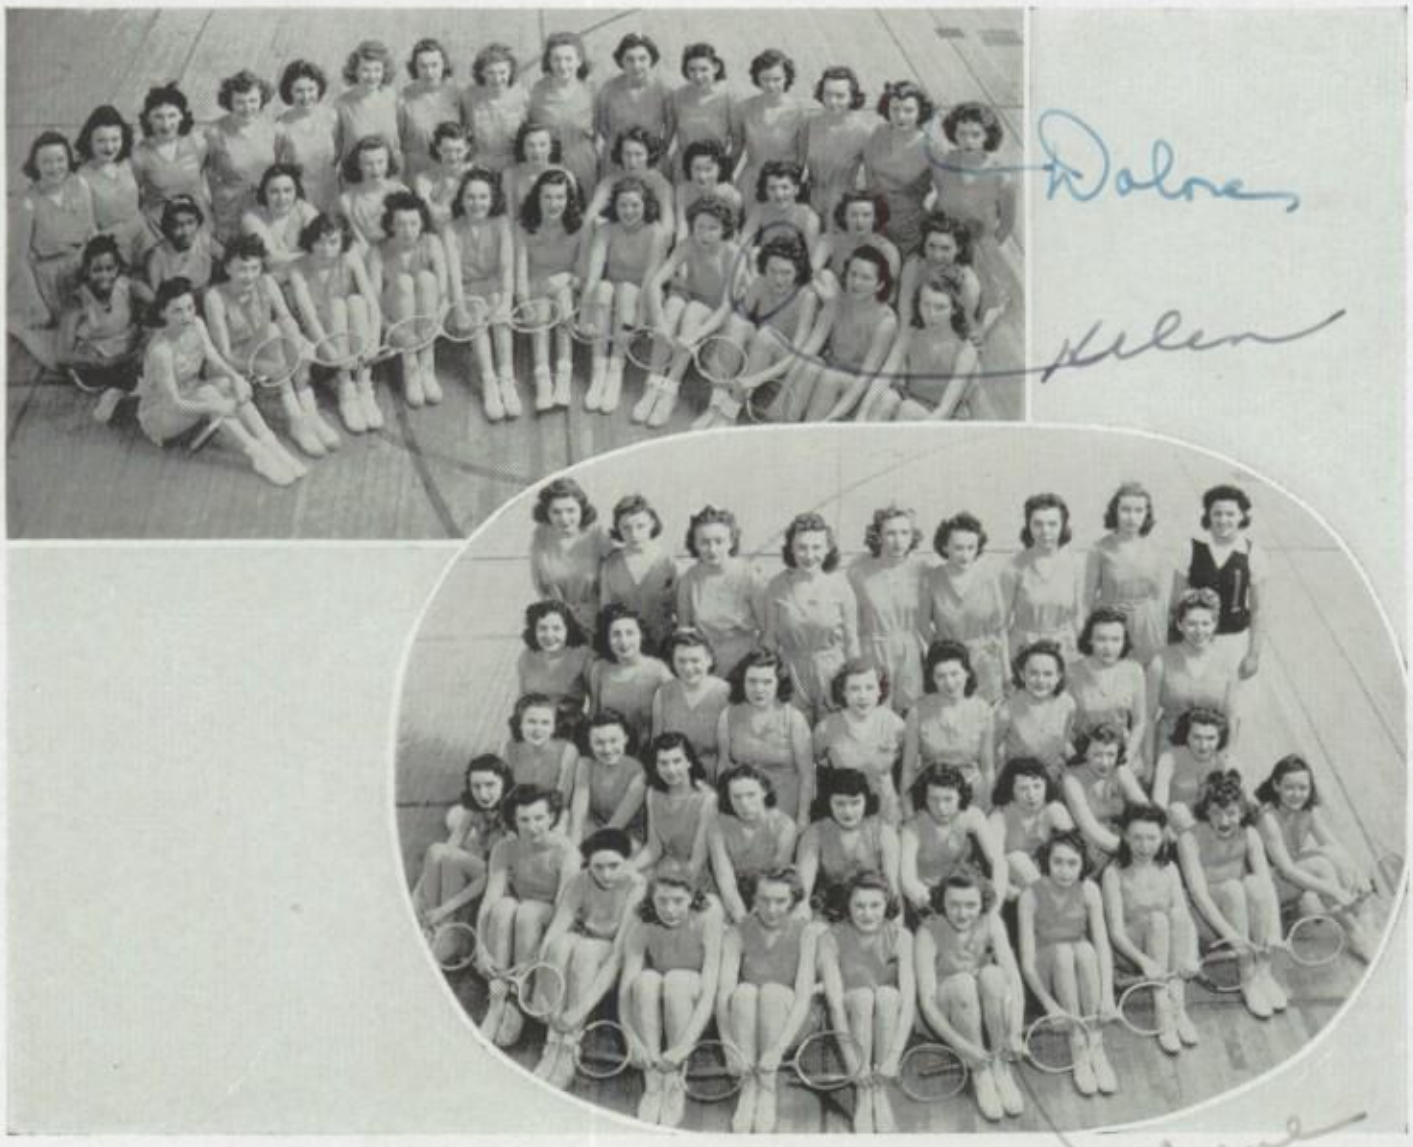
ACTIVITIES IT SPONSORS ARE

LIFE SAVING AND DOLPHIN

Life Saving is one of the most valuable courses in swimming. In this class, girls are taught the technique of rescuing drowning persons and of resuscitating them. After passing required tests, members are given Red Cross Life Saving Certificates, which make them eligible for the Dolphin class.

The members of the Dolphin class are all expert swimmers. They spend their class periods learning water stunts, and various dives and strokes. The goal of every Dolphin member is to earn enough points to receive a Dolphin emblem.

The G.A.A. representatives are Dorothy Hewitt and Antoinette Topic, and the classes are under the supervision of Mrs. Nielson.



FILLED TO OVERFLOWING. TENNIS,

BADMINTON AND TENNIS

One of the favorite and newest sports which has just been introduced to many of the high schools is badminton. Proof of this is shown in the eagerness with which the girls have joined the many classes at Lindblom.

Similar to the sport of badminton, and sometimes connected with it because both involve the use of a racquet, is tennis. Both classes are conducted by Miss Klein, who encourages the athletic minded girl to go out on a tennis or badminton court and start practicing the day she enrolls in the class. In fact, their enthusiastic responses to these sports give us the reason why the difficult strokes and manner of handling a racquet have become such simple routine matters to them.

The representative on the G.A.A. Board who has charge of badminton and tennis is Georgia Chrisos.

HIKING, AND BIKING ALL FIND A

OUTSIDE ACTIVITIES

What girl does not enjoy a good hike, skating or bicycling? Perhaps these convenient everyday forms of recreation might be classified as the most widely pursued outside sports among Lindblom girls.

Participation in any or all of these three activities has a three-fold purpose. First, it affords plenty of good healthy exercise with the benefits of sunshine and fresh air included. Second, it offers valuable points toward an L or Chevron for those girls so desiring them. Third, it assists in making new friends and in keeping old ones.

Peggy Vandeveer is the G.A.A. representative for bicycling, while Alice Martz is the representative for hiking and skating.

TEAM GAMES

Baseball, volleyball, basketball, and captain basketball are the four major games which are taught and played in the team games classes. Under the leadership of Miss Klein the girls are shown proper methods of playing all of these games.

During the semester a series of games are played between chosen teams, and each member on the winning team is awarded a bar, as are the girls who are chosen for the honor team.

The G.A.A. representatives for team games are Patricia Lynch and Gertrude Ehlert.

GIRLS GOLF

Swinging a golf club accurately and holding it in just the right position to send that little white ball flying over the fairway toward the next hole is the task of our girl golfers. Instructed and advised by Miss Murphy, the sponsor, our feminine enthusiasts practice industriously to master the proper strokes and drives. They meet every Wednesday during the second period. Points toward an "L" or chevron may be earned through participation in this course.

AND THE CURRENT FAVORITES,

FENCING

Fencing, no longer used as a medium of attack or defense, still serves its purpose today, although in a very different way from that of the past when chivalrous young men used it in duels.

Now many girls at Lindblom take advantage of this sport because it develops an alert mind and graceful body movement. And so, one may behold our ardent feminine fencers, poised with sword in hand, practicing earnestly to achieve these results.

By joining a fencing class a girl not only learns to fence proficiently, but she also earns points toward her athletic letter. The winners of the fencing tournaments which are held each semester are awarded gold or silver bars according to their achievements, which they display with great pride.

RECREATIONAL GAMES

Recreational games, newest of all the G.A.A. activities, is one of the most popular. This is probably due to the fact that such games as ping pong, shuffle board, horseshoes and duck pins are taught. The classes are under the sponsorship of Miss Callen, who explains the rules and demonstrates the positions and strokes for the various games. Aldona Yursen is the G.A.A. representative for Recreational Games.

A CHAMPIONSHI

BASKETBALL

This year a new shield was hung upon the already-crowded walls of Keeler Hall. Our senior basketball team took the city championship, trouncing a strong Kelly team in the finals, 41-25. Led by Captain Cernich, the regular team of Scalamera, Silko, Federinko, and Vander Ploeg, achieved many noble victories. This championship is especially outstanding as it is the first won by a Lindblom basketball team, and Mr. Swiryn is the coach who helped the boys to bring it home.

ASKETBALL TEAM!

With the city championship won our team advanced to the state championship meet.

There they were defeated in their first game by a superior Wood River team, as a bus load of loyal Lindblomites cheered in vain.

The junior basketball team, which Mr. Swiryn also coaches, made an excellent showing. Though they won many notable victories they did not win any championships as their bigger brothers did. Captain and spark of the team was Joe Olive, chosen as a member of the all-city team.

LINDBLOM HAS LONG BEEN KNOWN

GYMNASTICS TEAM

Anyone frequenting the boys gym is certainly familiar with the gymnastic team. They are distinguished by their white "tee" shirts and blue pants and are seen doing handstands, twirling their bodies around parallel bars, leaping over horses and doing other seemingly impossible tasks. These energetic boys are the gymnastic team.

As track, parcheesi, swimming, and basketball the gymnastic team is divided into two classes, junior and senior. Coach of both teams is Mr. Martin Topper. The gymnastic team meets the fifth, ninth and tenth periods daily.

In the city gymnastic meet held at George Williams College, Lindblom repeated last year's performance, placing fourth behind Senn, Lane, and Harrison. Senn, who again won the meet, took 1186 points, while Lane, Harrison and Lindblom earned 1,043.50, 768 and 541.50 points respectively. Three of our boys placed among the first ten individual scorers, Ed Konkol tying for second with 83.75 points, Art Malatt and Bernie Costello placed ninth and tenth, earning 69.50 and 61 points respectively.

The gymnasts have gained for Lindblom many shields and trophies by their spectacular and manly exploits.

WRESTLING

Wrestling, one of the oldest sports in existence, is very popular at Lindblom. Our wrestling team, identified by grunts, groans, and muscular bodies ranging from the smallest 95 pounder to the hairiest heavyweight, may be seen strangling each other in our gym. Governing these straining bone crushers is Coach R. E. Bohor, a champion wrestler himself.

Wrestling is divided into pound classes. These classes are as follows: 95, 105, 115, 125, 135, 145, 155, 165, 175, bingo! and heavyweight.

Our mat men, trying their best holds, locks, halfwit-nelsons and jiu-jitsu were defeated in the city championship meet held at the University of Chicago. Ed Mutter advanced to the finals but was defeated. Kunich and Langevin reached the semi-finals only to be defeated also. Captain this year is Paul Conolly.

CHAMPIONS, TOO. BRINGING HONOR

FOOTBALL

In order to uphold our football team's remarkable record of championships, spring practice is essential. During this practice Coach Moore, after teaching and drilling the players, creates first, second, third and fourth teams. Competition is tough for each player has aspirations for the first team. Mr. Barder has assisted Coach Moore for the last couple of years, and some of the stars of last season are also assisting this semeter.

A typical day of practice would be something like this. At the end of the eighth period the boys rush to the storeroom, change from civilian clothes to football togs and run to Byrne Field, where they first have exercises and then routine practice.

TRACK

Speed and endurance are the essentials of most sports. Track demonstrates these facts more clearly than other sports. Our track team is composed of Lindblom's best speedsters and is fortunate in being coached by Mr. Topper, former Big-Ten Champ and Olympic Games contender. The fleet-footed half-miler, Ted Pierzynski, captains the team.

DANNY

TO OUR NAME THIS SEMESTER

Track is divided into two classes, indoor and outdoor. For the latter, Ogden Park is used, and for the former, our own gym is utilized.

The track team competes in two meets annually, the indoor meet, which was held in March, and the outdoor meet. Our team did not win the championship, but many individual events were won by Lindblom. In June, the outdoor meet will be held.

SWIMMING

With graceful dives, splashes of water, and powerful strokes which cut the water with amazing speed, our swimming team practices. Yes sir! Those muscular bodies that comprise our swimming team practice day after day in the cool inviting waters of our glistening pool.

Swimming is divided into two classes, senior and junior. Senior swimming is for boys who are over sixteen years of age and junior swimming for boys who are under sixteen. On both teams, diving and speed swimming are the main lines of competition.

This year our team has co-captains, Carl Pempek and Eugene Tomal. Coach of the team is Mr. Bohor.

OUR FIRST CHAMPION

BASKETBALL TEAM,

BASEBALL TEAM

Again spring is here and man's thoughts turn from winter sports such as basketball and wrestling to the nation's pastime, baseball. This prominent sport is well represented by the youth of Lindblom. Those boys seen batting out tremendously long hits and making sensational fielding plays are our baseball team.

Bryne Field is the place of practice. Here the boys learn the rules, technicalities, and strategies of the game. They also have tryouts for all the positions on the team. Strong competition is met at all positions since there is always plenty of excellent material from which to choose.

Mr. Janousek, the team's coach, during his first year at Lindblom, which was in 1938, led the team to a city championship. Our team has never been able to achieve this championship since then, but has always been a powerful threat. This year our boys again will try to retain the championship and have great promise in doing so. Ralph Shivone is the team's captain.

• ROW I: Chowaneic, Hubbard, Labow, Brown, Behling, Leach, Gifford, Franco. ROW II: Cerveny, Klupchak, Mosuowitz, Gonerka, Meilauh, Olive, Senkpeil, Kranz, Meyers. ROW III: Vysckocil, Shmiotke, Vanderploeg, Sirota, Heinz, Privara, Chowaneic, Janulis, Engstrom. ROW IV: Winters, Andrews, Nye, Jackson, Bleck, Shivone, Coleman, Molnor, Urbanek, Pajor.

FENCING TEAM

Throughout the back halls of Lindblom, ninth and tenth periods, intermittent clashes of steel can be heard. Yep! Those diligent clashes are those of our stalwart fencing team. Coached by Mr. Jerry Burke and led by co-captains Bob Scanlon and Vince Franco, our team has won outstanding victories. The A team, composed of Scanlon, Franco and Dobin, won the state championship.

Our Eagles defeated Senn in the meet which was held at the University of Chicago, 5 bouts to 3, and also captured the Kraft Cup. This beautiful cup will reside in our glittering trophy case until next year. Our excellent reserves, composed of Karner, Daniels, Forbes, and Gumber, who will comprise next year's team, are expected to achieve the same victories that this season's team did. In the city meet which was held at the University of Chicago also, our men were not able to defeat a superior Senn team who won the contest, but tied for second place.

AND A CHAMPION FENCING TEAM.

• ROW I: Dobin, Karner, Daniels, Franco, Scanlan, Brazas, Forbes

WE REALLY HAD A BANNER SEASON.

TENNIS

Once more our tennis team has a title to defend. For the last two years a Lindblom tennis team has won the sectional title. Leading those two years was Victor Soukop, winner of the Achievement L Cup, but unfortunately he has graduated. Even without Soukop our team is powerful and holds strong promise of retaining our hard earned title. The returning lettermen are Davitz, Kujola, and Polansky.

Tennis has the novelty of being a sport of individual competition. Davitz or Kujala will be the leading individualist or number one man.

It is a hard sport and takes a great deal of time, as they practice every day, but they seem to enjoy it. They are building up a fine name for the school they represent.

Mr. Swiryn, the team's coach, expects to be coach of a championship tennis team as well as coach of a championship basketball team.

TENNIS TEAM
• ROW 1: Lesser, Nierman, Davitz, Polansky, Kujala.

They teach, they coach, they instill in us the Lindblom spirit along with the spirit of democracy. They give us late programs and stacks of home work, but they sell defense stamps, go to ball games and assemblies, and sponsor all clubs and activities. We groan at their jokes and laugh at their mistakes, but wouldn't exchange them for any others. Meet the faculty!

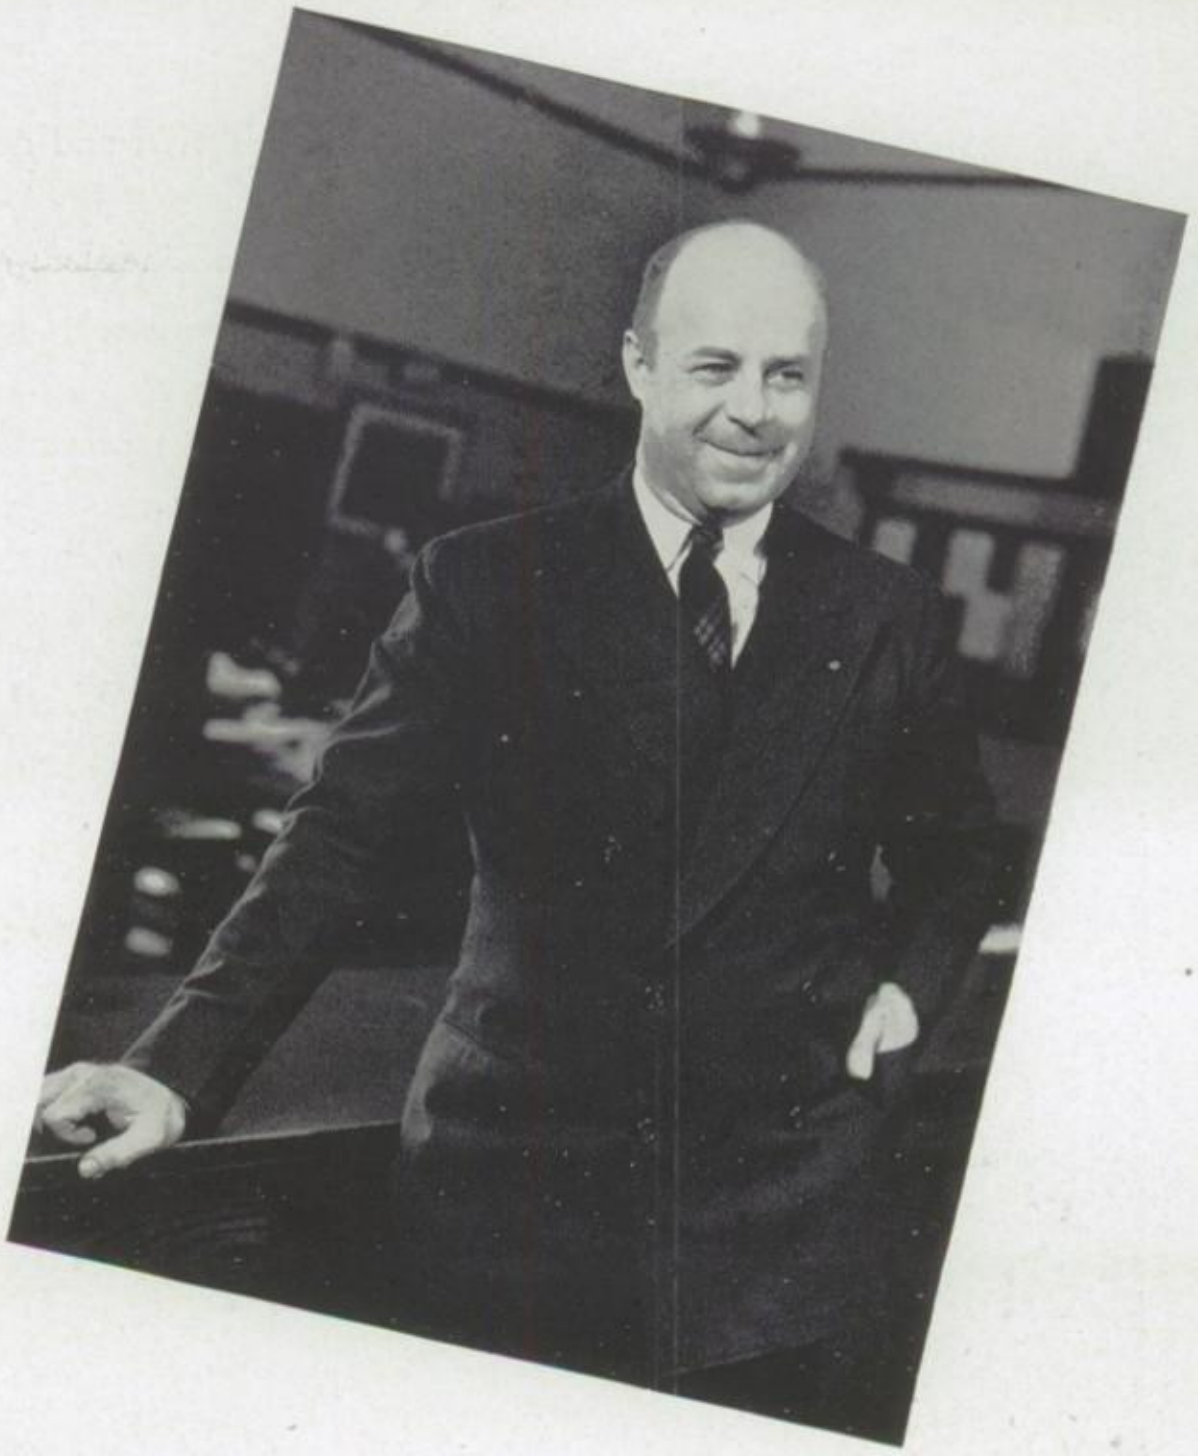
Florence Gwichell

OUR COMMANDER-IN-CHIEF IS BUTLER LAUGHLIN, AND

Butler Laughlin, our principal, guides the workings of the entire school with an efficiency that is characteristic of him. He greets us at assemblies and lectures us in his office, doing both with the good of the school in his mind. Lindblom is fortunate in having such a fine educator at its head.

HIS TRUSTY LIEUTENANTS ARE

Edgar Palmer, our assistant principal, is so widely known he might almost be called a Lindblom tradition. His tales of Lindblom 'way back when," his genial personality, his understanding, and of course his hair cut, are familiar to every one of us. He rules with a firm but kindly hand, and all Lindblom loves him for it.



EDGAR PALMER AND GENEVIEVE SULLIVAN.

Genevieve Sullivan, who also assists Mr. Laughlin, has double duties. She teaches every bit as well as she works in our main office, where she is such a familiar figure.

As librarian at Lindblom, Mrs. Blake fills a vital and necessary position.

Mrs. Finlay, as matron, is a second mother to Lindblom girls.

Miss Crisman, adjustment teacher, helps students solve many trying problems.

Mr. Rupprecht, vocational counsellor, is also a representative of the Federal Employment Service.

Mr. Brazill serves as Lindblom's dispenser of supplies.

NEXT IN LINE IN AUTHORITY ARE THE

DEPARTMENT HEADS, WHO SUPERVISE THE

MISS GARRITY

MISS MOORE

MISS KEELER

MR. BOWMAN

The English Department owes a great deal of its success to the fine leadership of Miss Garrity. Not only does she guide such an important department, but this gracious faculty member is one of the most popular teachers about school.

Miss Moore heads the Foreign Language Department, one of the most popular with Lindblom students. When she isn't to be found in a classroom or in the B hall, she most probably can be located in her office off the main foyer.

Holding sway over the Social Science Department is Miss Keeler. Her efficient handling of the large number of students that work in this department is admirable, and her A hall division is managed just as well.

As head of the Technical Department Mr. Bowman is best known to the boys of Lindblom. From his office behind Keeler Hall he directs the workings of all the intriguing shops that the girls are so curious about.

Guiding the destinies of the Commercial Department is Miss Tillinghast, known throughout the school as an expert on modern business methods. The work her department offers is of great value to those who take advantage of it.

The Home Economics Department is headed by Mrs. Freckleton. Her wide knowledge in this field is aptly used in her work in connection with the Girls' Social Room, where she sponsors the Sophomore and Junior Girls' Clubs.

Calm, thorough, and patient are three adjectives which describe Mr. Small, head of the Science Department. All three characteristics are also in evidence in his management of the 3B Class.

Mr. Bach fills the position of head of the Mathematics Department. As a teacher, he is known to all the math students, and as head of the Lost and Found, to all students.

MISS TILLINGHAST

MRS. FRECKLETON

MR. SMALL

MR. BACH

WORK OF THEIR RESPECTIVE DEPARTMENTS.

MISS KLEIN

MR. BURKE

MRS. KNEHANS

MRS. ROSENTHAL

Holding sway in the Girls' Gym Department, Miss Klein keeps it going with remarkable efficiency and dispatch. She also sponsors the G.A.A. Board and Cabinet and the L D Club, and is active in the War Stamp office.

Mr. Jerry Burke, who has been head of the Boys' Gym Department for more years than the average Lindblom student can count, continues to carry on in this most difficult and vital position with his usual adequate results.

Mrs. Rosenthal sparkles at the head of the Music Department. With enviable skill she keeps her department running smoothly at the same time as she directs two choruses and sponsors an assembly group.

Artfully handling the Art Department affairs is Mrs. Knehans. She guides it and her turbulent A hall division with true ability, which is much appreciated by the faculty and student body alike.

MORE FAMILIAR TO US THAN ADMINISTRATORS

ARE THE TEACHERS, BECAUSE WE SEE THEM

ENGLISH DEPARTMENT

- ROW I: Rowlands, Delaney, Zeiger, Rademacher, Jones, Maneikis
- ROW I: Atkinson, Claridge, Howland, Dixon. ROW II: Matz, Rule, Hurn, George, Calpha

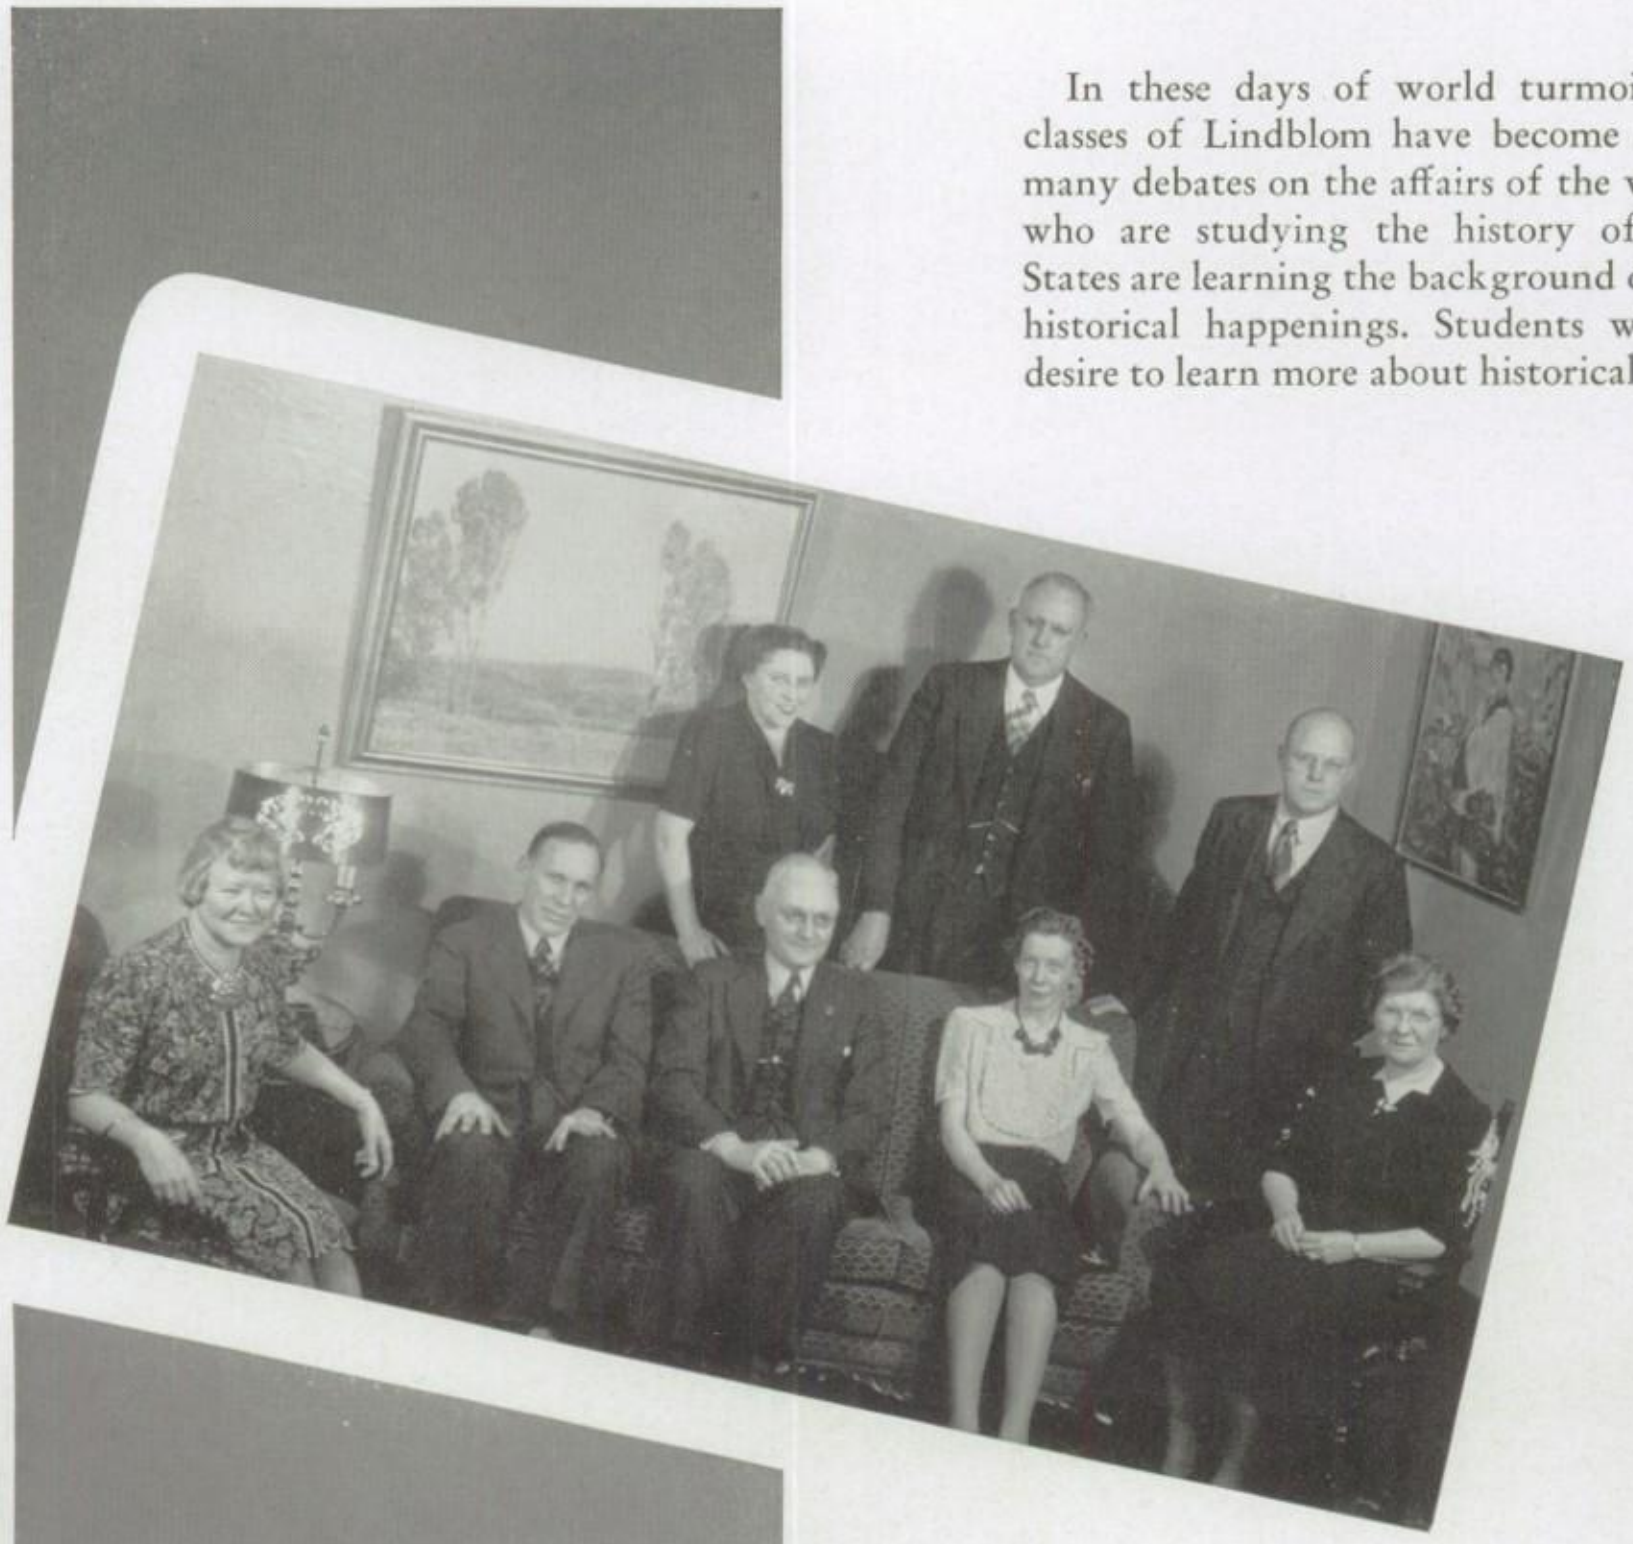
Teaching students that "ain't" is not in the dictionary and that to split an infinitive is almost unforgivable, the English Department does a good job of educating Lindblomites in the finer points of the English language. In this department, ably headed by Miss Garrity, is our Public Speaking class under the guidance of Mrs. Rademacher, from which many speakers rise to prominence in assemblies and debates. A "must" for three years, English often turns out to be the subject best liked, and is decidedly one of the most beneficial courses offered at Lindblom.

Delving into the intricasies of Cicero translations, studying Pan-American friendship, or learning to pronounce the entrees on a French menu, students in the Foreign Language Department lead an interesting life. This field varies from recitations of noun declensions, to movies on how our South American neighbors live, and of course, takes in prepositions and conjunctions, Ceasar's battles, and verb conjugations. Headed by Miss Moore, this department claims several well known faculty members in each of its three branches, Latin, French and Spanish.

FOREIGN LANGUAGE DEPARTMENT

• ROW I: Murray, Butts, MacDonald. ROW II: McCall, D'Gorman, O'Connell, Sullivan, Moore, Ryan

MORE REGULARLY. THEY HAVE DEVELOPED ALL



In these days of world turmoil the history classes of Lindblom have become the scenes of many debates on the affairs of the world. Seniors who are studying the history of our United States are learning the background of our present historical happenings. Students who express a desire to learn more about historical backgrounds are offered classes in Ancient and European history.

A well-informed group of faculty members, under the leadership of Miss Keeler, are intrusted with instructing the students in the pursuit of historical knowledge of today and yesterday.

HISTORY DEPARTMENT

• ROW I: Beck, Hagar, Bucher, Groves, Howatt. ROW II: Murtaugh, Blair, Shore

COURSES TO A HIGH DEGREE, BUT OUR

TECHNICAL COURSE IS ESPECIALLY OUTSTANDING.

TECHNICAL DEPARTMENT

The art of mastering machinery, of drawing successful blueprints, of becoming a technician, can rightfully be accomplished when one pursues a technical course at Lindblom. Actual experience can be obtained in the wood, print, machine, forge, or auto shop.

Particularly at this time, when there is such a demand for experienced and well-trained machinists, mechanics, carpenters, and blacksmiths, to work both in the armed forces and in our present day highly accelerated industry, technical department strives to teach the technically-minded student how to perform the duties which will confront him when he answers our country's urgent call for help.

TECHNICAL DEPARTMENT

BOYS, WHILE THE GIRLS FLOCK TO STUDY

SCIENCE DEPARTMENT

The searching, inquisitive mind is in its seventh heaven in our Science Department. A student may begin his study in the biology section, the home of dangling skeletons and plant and animal specimens. From here he advances into the department of physics, and lastly, he enters the most interesting and challenging field of chemistry. Yes, science, the study of classified knowledge, is the course for those at Lindblom who seek answers to the mysteries of the universe.

MATHEMATICS DEPARTMENT

The value of "X," what's what in isoceles triangles, and what the Pythagorean theorem really proves, are just a few of the valuable tidbits gleaned from a course in our Mathematics Department. Algebra is the first course to greet an eager freshman, and if he can successfully wade through square roots and exponents, he advances to plane geometry. Here a student goes around in a circle with an occasional square or triangle to vary the cycle. The next two years offer advanced work in Algebra, solid geometry and trigonometry to the mathematical geniuses who actually enjoy such studies.

• ROW 1: Steigly, Cameron, Stoner. ROW II: Garbow, Williams, Solomon, Crofts, Moore

COMMERCIAL DEPARTMENT

- ROW II: Thomsen, Chihak, Schlacks, Voelker.
- ROW I: O'Connell, Elmer, Appleby, Delaney, Blomquist

The commercial department's large staff of faculty members endeavors to teach the most modern and efficient methods of business. The demands of the modern business world are successfully met by graduates from this department.

COMMERCIAL SUBJECTS, BUT THE CULTURAL

The art department fosters the talen of budding artists in a sympathetic fashion, and under its supervision costumes and scenery are made for productions.

As well as teaching, the members of the music department direct all of our musical groups.

The teachers of home economics at Lindblom are Mrs. Bloxon, Miss Daly, Miss Murphy, and Mrs. Freckleton. These women are active in instructing our girls in cooking, sewing, and home management.

BOYS' GYM

• ROW I: Barder, Bohor, Swiryn, Topper

The girls' gym, crowded by green gym suited lassies indulging in various athletic activities, is often a Lindblom girl's haven of refuge from school studies, and many are the girls who find that gym activities will give them poise and grace while they play.

The boys' gym has often been the scene of a victorious meet, and the trophies and shields which have been gained by our various teams have been the result of hours of practice under the skillful coaching of the Boys' Gym Staff.

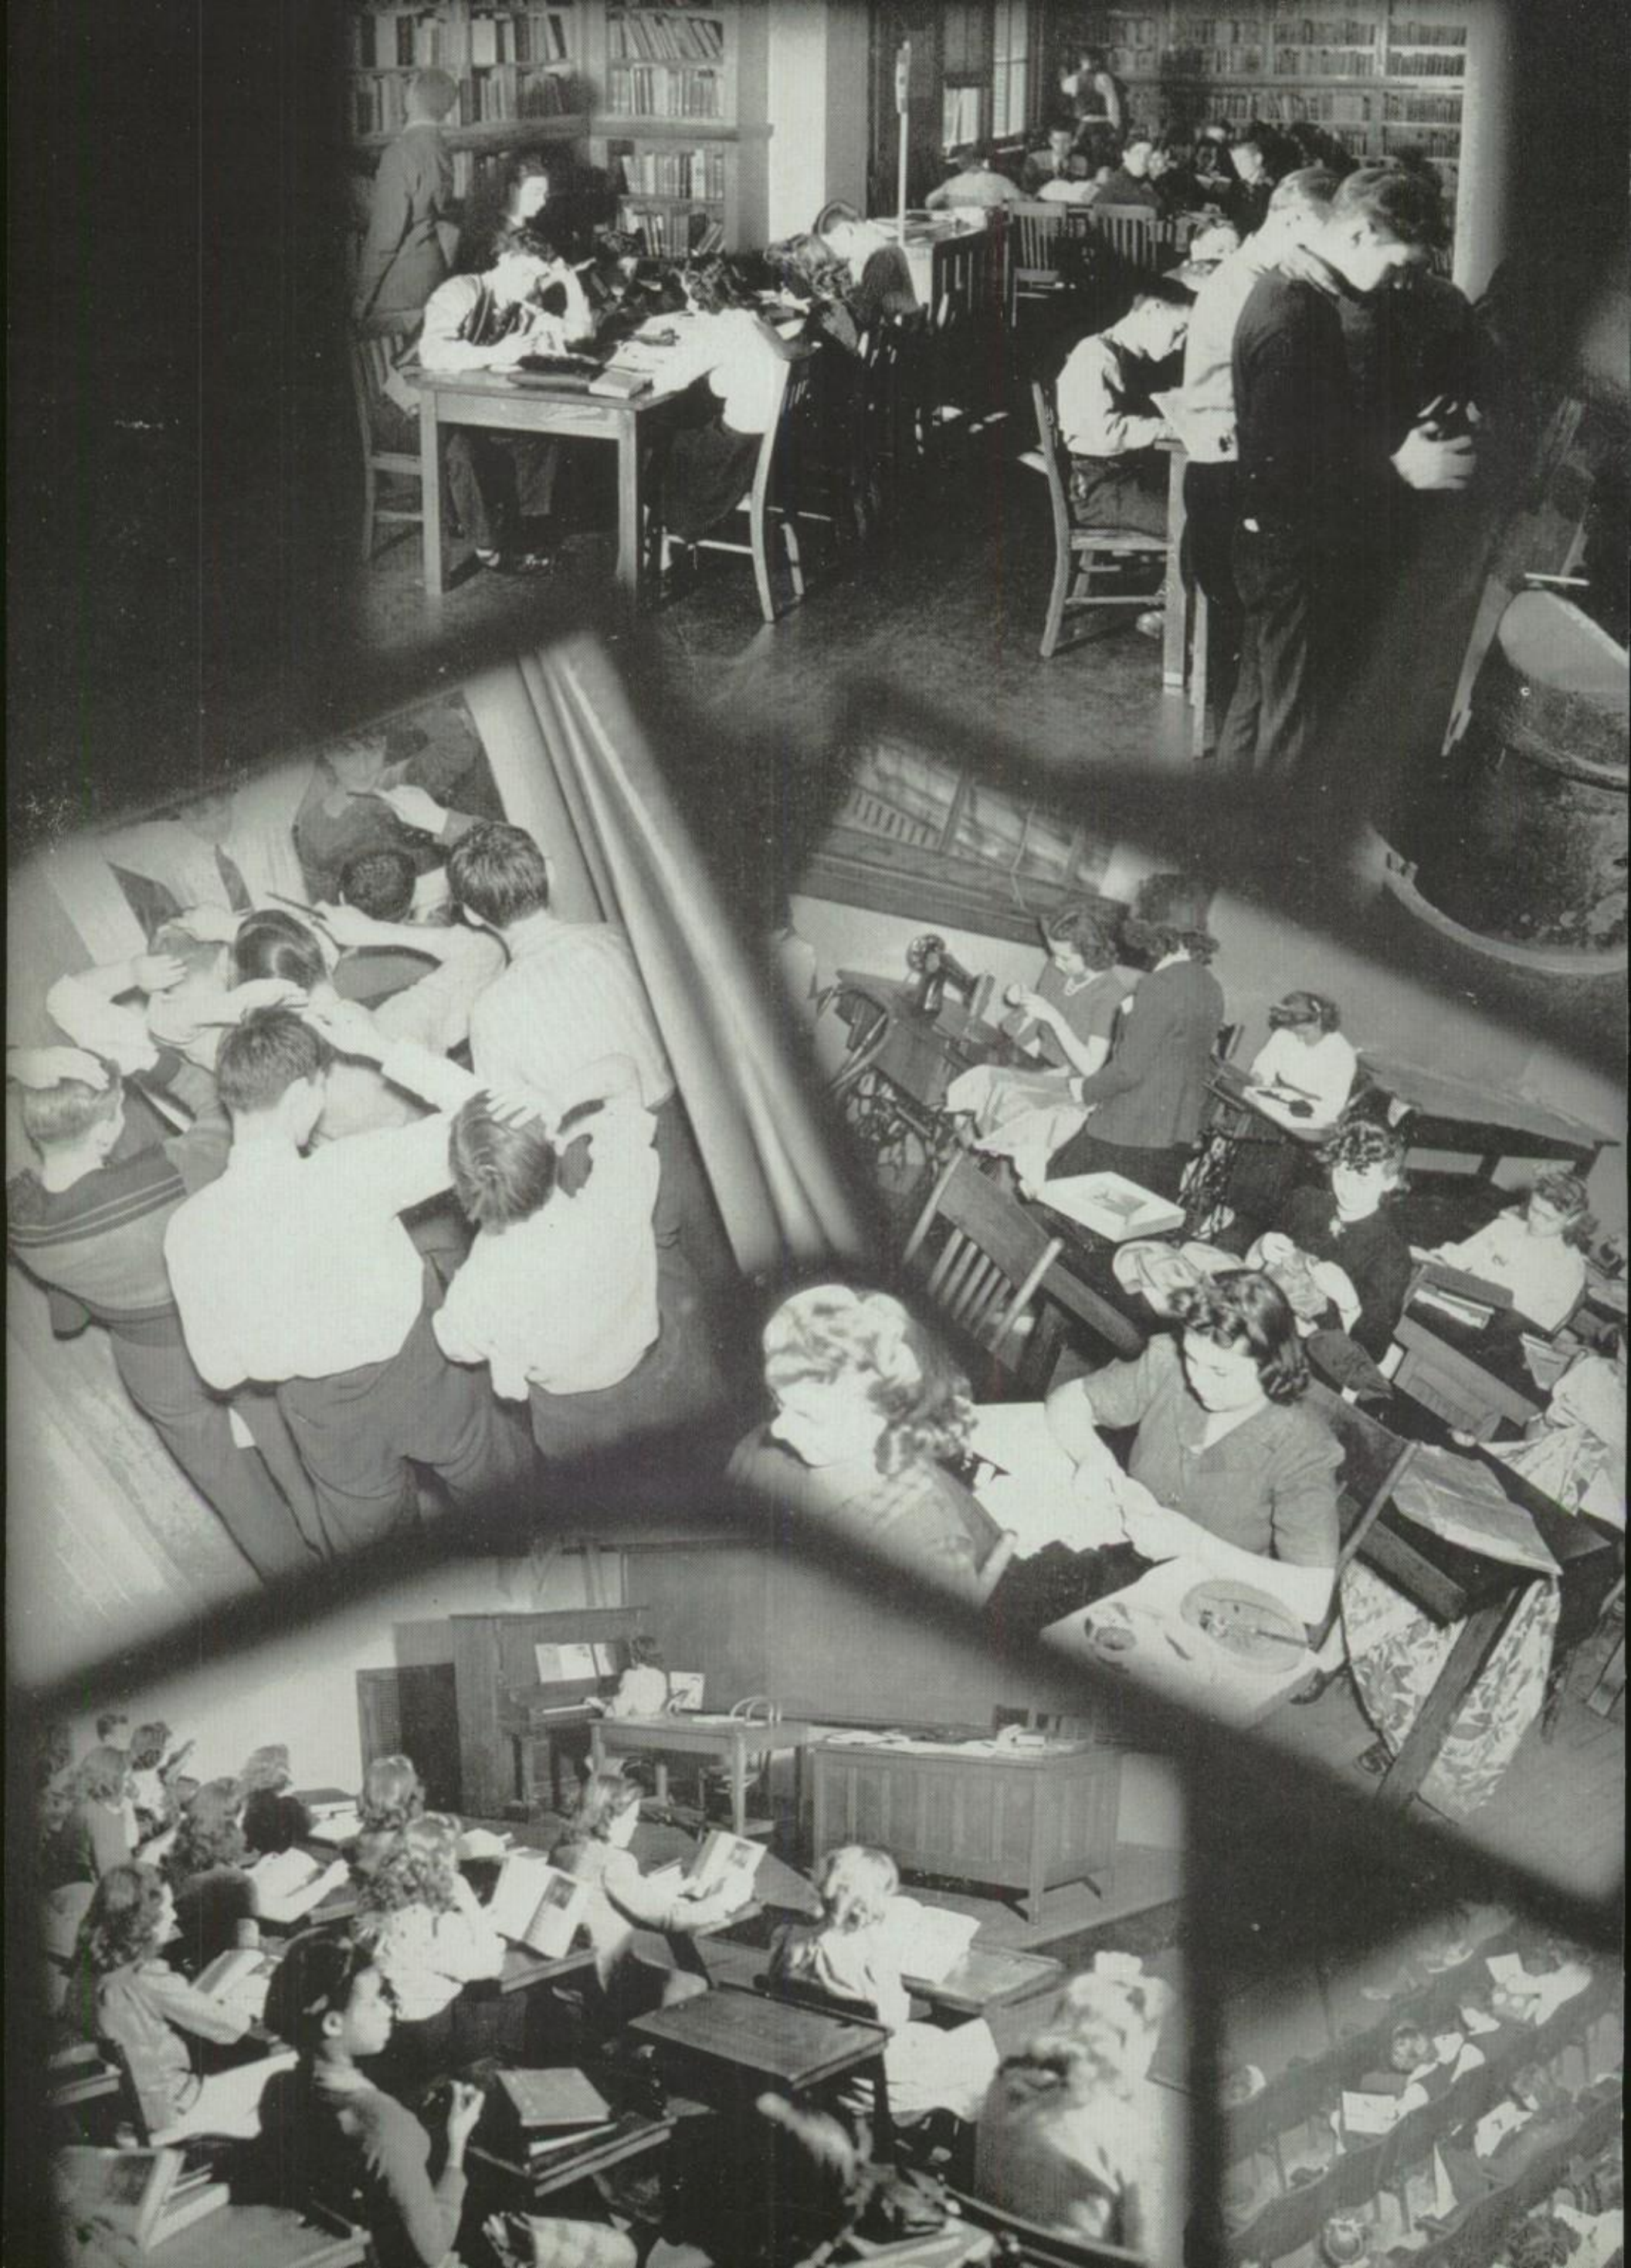
THE HUBBARD FACULTY

MR. SMITH
MISS ROBIN

WITH BOTH THE BOYS AND THE GIRLS.



Life at Lindblom is a complicated affair. It involves red tickets and absence slips, study halls, and how to dry your hair in five minutes. At Lindblom is listening to the head of the hall read the bulletin, fighting through to pay for a bottle of pop in the lunch room, going to games, meetings, assemblies, the library, and, oh yes, classes.

PEP'S DIARY

FEBRUARY 2
The new term has started and the first case of senioritis has set in, and sheepish graduates return to wander about their former haunts after four years of waiting for the day they could depart forever.

FEBRUARY 3
Ogling freshmen again trot Lindblom halls, and rent lockers, search for the elevator, and go up the down stairs.

FEBRUARY 4
Guess what! All the seniors didn't get first through tenth!

FEBRUARY 5
Finally Eddie Abel and Leonard Bielski have realized the cause for those growing pains! The reason? They are now dignified (?) 4As.

FEBRUARY 6
Everybody has books again, and juniors and seniors fill the storage space at the tops of their lockers for the duration, and the sophomores pack their school bags and trudge wearily from class to class.

FEBRUARY 9
Wailing and gnashing of teeth as food prices soar one cent. Shame on you, Audrey Feltz, for breaking into Dickie's piggy bank!

FEBRUARY 10
Distracted glances at the clock and complicated calculations to determine the end of the period. At least we all know when we eat, although we never know if we'll be able to find a vacant spot to eat from.

FEBRUARY 11
Only three minutes to get to classes. By a student poll it has been determined that this is the greatest blow to budding romances since Personality Day and blue fingernail polish.

FEBRUARY 13
Students vainly tell their teachers that they are superstitious about going to classes on a Friday like this.

FEBRUARY 16
Speeches for class officers are now under way. Heard throughout the 4A hall, "Fellow classmates, I am no politician." Not everybody can say that, can they, Benny?

FEBRUARY 18
The first Weekly appears, and students now have something to wrap their lunches in. The Senior Girls Council adds to the day's enjoyment by gumming up the works with Karmel Korn.

FEBRUARY 20
"Live for America!" These words express the general theme of the combined patriotic and induction assembly. Aron was M.C. for the event.

FEBRUARY 23
Thanks, George.

FEBRUARY 24
Students now become air raid conscious. It seems pigeons are not the only aerial menace.

FEBRUARY 25
June Pearson appears in black face. That's Weekly photography for you.

FEBRUARY 26
Ray Soltis doesn't really have poor posture. The droop of his shoulders is due to the weight of the two monstrous diamonds denoting his rank of Lieutenant Colonel.

FEBRUARY 27
As Mr. Topper's boyhood chums tripped over the Lindblom stage on ice skates, Mr. Blair distinguished the sheep from the goats. What were you, Alberta?

MARCH 3
We've climbed to second place in the senior basketball ranks. What if we win a championship! Let's root real hard and see what happens.

MARCH 4
The Weekly's annual scoop is revealed. The 4A's have elected Art (Baldy) Hrubec, Anita (Keep 'em Flying) Coval, Erle McElroy, and Johanna Petullo as class officers.

MARCH 5
Eagle photographers are here again and pandemonium reigns. We hear, "Now hold this for a count of three. One, Two, I thank you." "Print your last name only." "Now, students——."

MARCH 10
Grades—My but red is a pretty color, and patriotic, too.

MARCH 11
The G.A.A. Board simply forgets to practice for Parents Night when the time for the semi-final basketball game arrives. Meeting adjourned to Gage Park High School.

MARCH 12
Our first air raid drill, and wasn't it good? Mr. Palmer grinned, Bob Stech licked his sucker, and Lindblom halls were so quiet you could have heard a bomb drop.

MARCH 13
We're in the city finals for basketball. Tomorrow's the big day, but tonight the Parents come to see, among other things, Mirium Perlberg in a gay 90's bathing suit.

MARCH 14
WE WON!

MARCH 16
Dick Weldon's papa flying over Lindblom sees his only son walking outside and not getting any closer. How come, Dick?

MARCH 17
Keeler Hall overflows with pepsters, but Stan Cernich refuses to talk.

MARCH 19
The Champaign bus left with a crowd of Lindblom rooters as the rest of us wistfully watched, wishing that we were going too. Instead of seeing our boys lose, we only heard it over the radio.

MARCH 20
Sam Campbell brings the out of doors to his "young friends." We were all carried away by the beauty of the movies and his message, but we counted 36 "young friends."

MARCH 24
This is bunny bangle week, but Art Hrubec got his tongue all tangled up in it, and the 4A's thought he had gone back to his early childhood.

MARCH 25
Ump-Pah-Pah-Pah! Indians dance in the boys gym! Heard on leaving—"I'll bet they'd be a wow in a jitterbug contest!"

MARCH 26
Now our fencers are possible champs. Hooray for our side!

MARCH 27
Johnny Crawford mimics Mr. Mills, much to the amusement of the sixth hour chem class, but not to Mr. Mills. Why did he have to be standing in the back of the room?

MARCH 31
The Senior Girls Club has a fashion show, and Jane Mathewson's floaty formal carries off the honors.

A.A.A. CHARTER BUS CO.

APRIL 1
April Fool Sing, colorful bows, whacky Weekies, and what do you know, we've won the Kraft Cup for fencing, and that's no April fool!

APRIL 3
"Then there was the semester all the girls showed up with feather edge cuts, and Teddy Pierzynski turned up with a convict clip."

APRIL 6
The faculty loses to the champs 25-32 in their annual basketball tilt. Mr. Guzik appeared in that classy pair of lavendar shorts that never wear out.

APRIL 8
Marion Miller haunts Senior ally, asking, "Who are you going to the Prom with?" and they just laugh and laugh.

APRIL 10
Students! A week from today is smelt day. If you're taking first aid, there ought to be some victims of overeating to revive, and what's more, you could practice bandaging while they're helpless.

APRIL 14
The Lindblom Clean Up Drive starts.
Confidential communique: The Weekly office would be a good place to start. They don't dust!

APRIL 17
Today, "There's One In Every Company" had us howling, and the Balinese dancer in the 4A hall had us wiggling. What a farewell!

APRIL 18-26
Clean Up Week being a week for cleaning up, we rested, while the clean up committee scoured a prairie and the LD girls got initiated.

APRIL 27
We came to school to rest up after a week of hard resting, but Miss Keeler had other ideas.

APRIL 28
Teachers do their patriotic duty by registering dealers for sugar rationing. Miss Moore stayed up nights learning how to feed the bees, and didn't get stung either day.

MAY 1
It rained today, just one day too late to be an April Shower.

MAY 4
Now we shall always remember the wrench as we parted with $2.20, because they printed the price on the front of the Prom bids.

MAY 5
Candidates for class speaker orate in A division.

MAY 6
The day of the "GREAT PURGE."

MAY 7
A pig-tailed, black bloomered and sweat shirted faculty team beat the LD girls 22-19 at volleyball. Can they ever live it down?

MAY 8
Mothers' day at Lindblom, and the public speaking class presents a "Silent Drama" and the Peachy Soap program.

MAY 11
Eagle challenges the "Weekly" to a "far and squar" baseball game, but the budding journalists barricade themselves in their dingy den and hibernate for the duration.

MAY 12
Pat Pratt gazes into the future for the benefit of Pep's Diary. Did you ever hear about "Peaches" and Pops the janitor?

MAY 13
The 4A surprise party is held. Can it be we'll never see another class party?

MAY 15
Spring festival opening fills Lindblom to overflowing, as our music organizations pour forth their hearts in song. And the dresses were pretty, too.

MAY 18
As Jane Mathewson drawls that she's going to ride home on the trolley, Cal just sits and looks and looks.

MAY 21
"Time Marches On" for the G.A.A. girls as they gnaw their pretzel sticks. Such originality!

MAY 22
The festival is staged again for another enthusiastic audience.

MAY 25-29
This week is a complete blank, thanks to a cloudy crystal ball and a still cloudier Bob Zimmerman.

JUNE 2
The gym girls are all keyed up about who's going to get the L Cup, and rumors are flying thick and fast. The crystal ball reveals nothing, and neither does "Bubbles" Bartkowiak.

JUNE 5
The Boulevard Room at the Stevens is the dreamy scene of the Prom, eagerly awaited for three years and eleven months. Sweet music and lovely gowns help to create a memory to be cherished for years after.

JUNE 10
Jack Murtaugh told us about Muskegon's Junior Gestapo. Wonder how they'd stack up beside Mr. Palmer.

JUNE 12
The A hall teachers get happier every day. They only have to put up with us for another two weeks. Will Mr. Hollister and Mr. Shore come to blows before then? Whose division was talking?

JUNE 15-18
We struggle to learn the words for the Class Sing, and wonder why Mrs. Rosenthal doesn't give up hope.

JUNE 17
Cute couples: Elaine King and Dick Weldon
Elaine King and Bernie Harbison
Elaine King and Bob White.

JUNE 19
"Red, white, and weepy," describes the Class Sing, and "always" describes how long we'll remember Mr. Weckel.

JUNE 22
Well, little Jimmie Little, now you know what color the June 1942 Eagle is.

JUNE 23
Class Day, or field day for leaky pens as we all get writer's cramp from signing Eagles. As The Day approaches we get weak knees and caps and gowns.

JUNE 24-25
This time it's us. We used to watch the others go, but now we're the ones with lumps in our throats who go up to get the symbols of four years of hard work, lots of fun, friendships made, and learning gained. It's good-bye now, Lindblom, but we'll never forget you and all you have meant to us.

OUR SPRING FESTIVAL WAS COLORFUL WITH

THE SPRING MUSIC FESTIVAL

Crowded around Lindblom's mighty pillars the nights of May fifteenth and twenty-second, patrons eagerly awaited the opening of the doors only to be met by a group of beautiful damsels attired in heavenly pinks and blues, whites and yellows, carrying baskets literally overflowing with gorgeous roses and gardenias whose soothing scents flowed down the corridors. Never before has Lindblom witnessed such a gala event!

The theme, "American Unity Through Music," was carried throughout the entire program by the combined singing and playing of patriotic songs. The festival was opened with three selections played by Captain Jay Sawyer's Concert Band. Supplying "Music for Morale," Robert Johnson, Joseph Doria, Carl Timmerman, and Arthur Silhan formed a harmonious quartet.

The A Cappella Choir chose the theme "Say It with Music," and the Concert Orchestra entitled its section "America Loves a Melody."

GIRLS IN FORMALS AND FRAGRANT FLOWERS

"I Hear America Singing" was the theme represented by the brilliant performance of the combined Boys' and Girls' Choruses, who appeared in a glittering rainbow to give forth with their sparkling melodies. Vivid descriptive narrations were given by David Baker, Robert Loomis, and John Cooperrider with the choruses supplying a musical background.

There were "Flowers That Bloom in the Spring" along with sweets as members of the Senior Girls' Council passed down the aisles selling fresh flowers and delicious bits of candy.

"There Was Music in the Air" when Robert Cook wonderfully displayed his talents on the trombone.

The entire ensemble joined in the grand finale and as the National Anthem was played the electric "V" composed of red, white, and blue colors was lighted. The Choruses were directed by Mrs. Hannah Rosenthal while the Choir was led by Mr. Joseph Taylor. Kathleen McLean and Myrtle Harms were the accompanists for the chorus and choir, respectively.

THE MUSICAL ORGANIZATIONS SPENT HOURS PRACTICING FOR IT.

THE PLAY, "THERE'S ONE IN EVERY COMPANY," WAS A SMASH HIT.

How many things they've lived through! Benny Aron's campaign, and all the other elections, penalty studies, numerous class parties, pep meetings, problems, being freshmen, sophomores, and juniors. The things they've seen! Championship football, basketball, golf, fencing, and bowling teams, choir and band champions, innumerable placques. The people they know! Mr. Weckel and irate division and class teachers, and Mr. Palmer. The places they've been! The prom and graduation. Look! The senior A's, the graduates!

Dear Virginia, High school days are the happiest days of your life. I've had a grand time with you in school. I hope you have had a swell time. Don't forget me. Remember me when the evening sun is setting. And your thoughts from care are free, When of others you are thinking, Won't you sometimes think of me? I'm a swell girl Best of Luck. Dearest Virginia:

Well I guess we start off on the same old routine again — the Navy and might just as well start off with that so — We've had many a good times together and will hope to have many more. How about that! Just think we're only two fragers of the many, and if you ask me we do pretty good for ourselves, & not act-ing silly like some of the troopers we know, not mentioning names. Here's also hoping that we keep up the morale of the uniformed men by our writing letters and more letters. Some fun, how about it, only it gets kind of tiresome when you get so many. Oh well, it's all more or less for the Navy. Two of the sailors I'll never forget are Ray & Tommy T. There are many others but them two specially as there are many others. So tell more come along, I'll be dropping anchor.
